- Find a good balance between classes & activities
- 6 classes is mandatory (5 for seniors). 7 is optional
- 5 academic classes recommended for 4-year college-bound students. We do not recommend taking more than 5 academic classes
- Sleep, mental health, family, friends, & activities are just as important as the schedule you choose. Choose wisely!

Guidelines for choosing classes

- Placement for Math, World Language, and ELD is by teacher recommendation.
- Students with IEPs will work with their case managers so schedules reflect their plan.
- Talk with parents/guardians and teachers about your choices.
- If you're planning to take fewer than 7 classes, you may select an unscheduled 1st, 2nd, 6th or 7th period.
- Choose alternate classes for all electives! Low demand, full classes or schedule conflicts mean you may not get first choice

- Refer to Course List. Choose one course per discipline: English, History, Math, Science, plus electives (language, fine or applied arts, social studies and general electives).
- Course Catalog with course descriptions and guidance is also posted on website
- Some courses may be prescheduled (e.g. social studies grade-level requirements). **DO NOT** delete prescheduled courses.

11th grade program

Required classes

English 3 *or*

English 3 Honors (separate sign-up required) *or*
ELD (teacher recommendation)

U.S. History

Students in our Special Education program will work with their case manager to create a schedule that accurately reflects their Individualized Education Plan (IEP)

Electives

- See course list on AHS website for elective offerings in each subject area
- Check catalog for prerequisites and/or requirements for all classes marked with *
- Check bulletin and email for info sessions by department/ program (example: English 3 vs English 3 Honors)

Albany High School course selection sheet for 2024-25
Courses open to ELEVENTH grade students

In addition to English and U.S. History, each student is to select a minimum of four (4) courses for a six (6) period day. It is extremely important to list alternates for each elective. If alternates are not listed and your first choice cannot be accommodated, your schedule may be incomplete. Please make your selections carefully. With few exceptions, changes will NOT be possible. PLEASE NOTE THAT FIRST-CHOICE ELECTIVE CLASSES ARE NOT GUARANTEED

Courses marked with (*) require prerequisites and/or teacher approval

Math, World Language, and English Language Development (ELD) classes are determined by teacher recommendation. The AHS counselors will work with the teachers in these departments to place students in the appropriate level course. No signatures are needed on the course request form in these subjects. For students in our Special Education Program, you will work directly with your Case Manager to create a schedule that accurately reflects your Individualized Education Plan (IEP). MacGregor classes will be scheduled with the MacGregor counselor based on credit needs.

Special Programs

- EDSET Academy: 2 years, environmental focus, two classes per year plus internship. Listen for info session dates. **Be sure to select EDSET versions of US History and AP Environmental Science and follow instructions from EDSET staff.**
- Step to College: San Francisco State University courses @ AHS for college credit

Forms to request a second class in a single subject are available in the Counseling Office

This process applies to Science, Math, Social Studies*, English and Language only (the UC requirement areas A-E).

- Second courses are available on a space-available basis
- Request form requires student and parent signature. It will be reviewed by your counselor and submitted to the principal for approval. Forms are due by the course selection deadline!
- **Be aware:** determination of space availability may not happen until school starts next year. It is very important to select an alternate for any proposed second subject-area course.

*Most social studies electives are categorized as UC area G. AP Comp Gov (area A) is exempt from this policy since AHS grants elective credit only for this course.

For all current students:

- Log into your Student Aeries account
- Go to Classes > Course Requests Entry

The screenshot shows the Aeries Student portal interface. At the top left, there is a logo for 'Aeries Student' and a user profile for 'Jane Cougar, Albany High School - Grade 9'. A search bar on the top right contains the text 'Search students, page'. The main content area displays a 'Welcome to the Aeries Portal for Jane' message. Below this, there are two expandable sections: 'Students' and 'Classes'. On the left side, a dark blue navigation menu lists several options: '< Classes', 'Classes', 'Course Requests', 'Course Requests Entry' (which is circled in orange), and 'Academic Plan'.
